

*The CAP program is available for our half day kindergarten students.*

*The CAP program is a thematic play-based extension program that aims to allow teachers time to focus on teachable moments and augment individual problem-solving situations in a relaxed and child-sensitive manner. The CAP program provides families with an opportunity for their children to remain in their school for a full day.*

*Please complete this [CAP INTEREST FORM](#) if you are interested in learning more about the Children at Play Program tuition agreement and tuition information.*
